

Terry Pyland came to Arizona in 1970 and loves living here. He began repairing machines with his uncle in the 1970's and worked at various sewing machine shops throughout the valley. He ventured out on his own during the early 80's. He has a vast knowledge of many machines and repairs a wide gamut of them. There is a special place in his heart to fix mechanical sewing machines and is well versed in repairing treadle, electronic and even long arm machines. He is known as "Dr Sew" and conducts repairs at his shop and will travel to your home if needed.
